

BIOGRAPHY

Lionel Grotto General Manager of Choose Paris Region

Before he was named Director General of Choose Paris Region, Lionel Grotto was head advisor responsible for major projects, economic development, and attractiveness under Valérie Pécresse, president of the Ile-de-France Regional Council.

With a degree in engineering from the Ecole Polytechnique and member of the Corps des Mines, Grotto has a combined professional background in both the public and private sectors, which includes experience working internationally as well as in the telecommunications and energy industries.
